**Theme Song:  
People Need the Lord**

v.1

Every day they pass me by,  
I can see it in their eyes.  
Empty people filled with care,  
Headed who knows where?

On they go through private pain,  
Living fear to fear.  
Laughter hides their silent cries,  
Only Jesus hears.

Chorus

People need the Lord, people need the Lord.  
At the end of broken dreams, He's the open door.  
People need the Lord, people need the Lord.  
When will we realize, people need the Lord?

V.2

We are called to take His light  
To a world where wrong seems right.  
What could be too great a cost  
For sharing Life with one who's lost?

Through His love our hearts can feel  
All the grief they bear.  
They must hear the Words of Life  
Only we can share.

### Our Mission

is to provide a Christ-centered wilderness retreat for friends and families.

### Our Vision:

We will

- 1) meet and camp in a near pristine wilderness in a river valley guarded by majestic cathedral-like mountain formations, where people can find recreation that will bring bonding to each other and Christ;
- 2) choose meeting times with recreation in mind. The morning and evening meetings will allow for plenty of time to enjoy nature and find relaxation;
- 3) provide shelter within a large tent where campers can enjoy studying and worshipping together with inspiring music and encouragement from the Word of God.
